Sir:

BACKGROUND: According to a phone call to the publication branch on March 31, 2006, consideration of an IDS is delaying issuance of the patent. Applicants' representative thanks the examiner for the time and courtesy extended during a subsequent call on March 31, 2006.

REQUESTS: *Applicants request* that the examiner act on the IDS received by the PTO on August 26, 2005 (August 25, 2005 Certificate of Mailing). The IDS in question¹ had a PTO-1449 listing seventeen references, the first listed patentee being named "Turcotte *et al.*" *Applicants further request* that the patent promptly issue, regardless of whether or not the seventeen documents listed on the Turcotte *et al.* Form PTO-1449 are initialed.

Respectfully submitted,
